

Nature Nurtures

Our Vision

Reconnect children to the natural world

Descriptive Highlights

- Educational Component
- Play Outside (unstructured)
- Frequency
- Involve Parents
- Mentoring
- Kids teach kids
- Develop own projects

Key Benefits

- Broader Perspective
- Sense of Connectedness
- Happy, Healthy Kids
- Improved Ethics and Values
- Foster sense of Stewardship

First Steps

- Reconvene and reconnect with original stewardship group
- Finish brochure and distribute
- Work on getting other things we need

Available Resources

- Outdoor education group – (Brochure to teachers K-6, resources for outside experiences, Metro routes, etc.) Where did it go? Natural History Museum = contact

Other Things We Need

- Funding to get word out
- Identify places to play or do projects
- Small pot of money to fund kids projects
- Combine outdoor training and unstructured play
