

## Bike n' Hike Teacher Evaluation

**Teacher Evaluation – This is a pilot program that we would like to expand to other schools in the county and we need your feedback. Please take the time to help us make the program better. Did the program work for your classroom? Did your children benefit from the program? How could we better streamline program? Thank you so much for your time!!!!**

**Name:**

**School:**

**Grade:**

**1) Please evaluate the materials for Bike n' Hike (Circle or underline one). Please add any comments you think would be helpful for improving the materials.**

- **Teacher Background Packet:**                      *Very Useful*              *Useful*              *Not useful*

*Did you use any of the web resources?*

*What sections did you find most useful?*

Comments?

- **Teacher Activities/Lessons Packet:**                      *Very Useful*              *Useful*              *Not useful*

Please circle or underline any lesson plan you used:

Mapping Your Route  
Calculating Bicycling Benefits  
Investigating Global Warming: a hand-on experiment  
Figure Your Miles per Gallon and Co2 Emissions  
Counting the Costs of Transportation  
Trees, Cars, and Co2  
Sources & Sinks: Energy Use and Global Climate

Comments? Should we provide this resource again?

- Letter to parents:    *Very Useful*              *Useful*              *Not useful*
- Tracking sheets that students used:                      *Very Useful*              *Useful*              *Not useful*
- Weekly Accomplishments Record                      *Very Useful*              *Useful*              *Not useful*
- Class Mileage Tracker:                                      *Very Useful*              *Useful*              *Not useful*
- Tracking Program Timeline                                      *Very Useful*              *Useful*              *Not useful*
- Class poster:    *Very Useful*              *Useful*              *Not useful*

**2) Are there any materials you would be interested in having for Bike n' Hike that were not provided? Did you feel that there were too many materials?**

**3) Do you think the Bike n' Hike program actually encourages more students to bike/walk to school or is its value mostly educational?**

**4) What was the most challenging part of the program for you?**

**5) How could the program be improved in the future?**

**6) Would you choose to do this program again next year? Do you think the program self-sustaining?**

**7) What do you think is the best grade target for this program?**

**THANK YOU FOR TAKING THE TIME TO TAKE AND RETURN SURVEY! PLEASE EMAIL  
IT TO: [jeanne@ecoact.org](mailto:jeanne@ecoact.org)**
