

Santa Cruz County Environmental Website

Our Vision

Communicate and connect environmental organizations and citizens via electronic methods.

Descriptive Highlights

- Website
- E-newsletter
- Links environmental organizations

Key Benefits

- Improved communications and increases accessibility
- Provides collaborative opportunities, identifies overlaps, defines ops (operations? Or opportunities?)
- Centralizes info and offers timely/current information

First Steps

- Show of interest
- I.D. resources
- Planning meeting
- Funding/sponsor opportunities

Available Resources

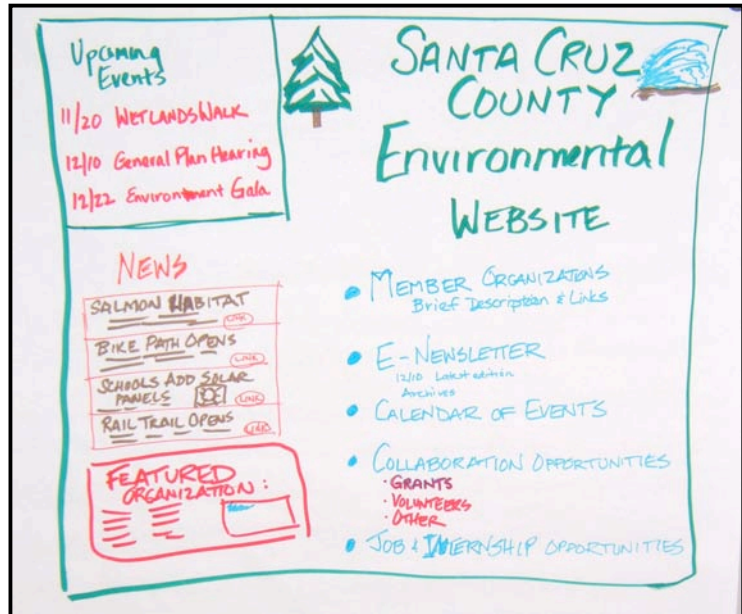

- Existing organizations
- Leveraging existing Resources
- Opportunities for funding

Other Things We Need

- Leadership
- Technical expertise
- Participation and commitment
