

Sensible Planning Alliance of Santa Cruz County

Our Vision

Unified policy platforms to a sustainable future.

Descriptive Highlights

- Identify stakeholders
- Define a sustainable future
- Develop principles to guide policy

Key Benefits

- Create broad community support for sensible planning and a sustainable future
- Support and embolden those working for sensible policies
- Support and embolden those elsewhere with similar vision

First Steps

- Platforms:
 - First address global warming – a local response (Who would be involved?)
 - Then address Smart Growth / Eco Cities in our region, a plan

Available Resources

- Places to meet

Other Things We Need

- Staff time
- Participation
